

Jarvis Infoworld – Company Profile

About Us

Jarvis Infoworld is a growing Indian exporter of premium-quality spices, sourced directly from trusted farmers and manufacturers across **Andhra Pradesh, Karnataka, and Tamil Nadu**. Our journey began in 2025 with a simple mission: deliver authentic, chemical-free, high-grade Indian spices to global buyers with honesty, consistency, and exceptional service.

Backed by over **20 years of experience in technology, project management, and operations**, we bring professionalism, transparency, and reliability to the export process. Though we are a **new entrant in the spice export industry**, we operate with strong sourcing partnerships, strict quality checks, and commitment to meeting international standards.
